## WHY JOG-A-THON MATTERS

*Jog-A-Thon is the PTO's only fundraiser of the year and one of the main ways our families support Southside Elementary. Funds raised help cover the PTO's operating budget and support academic programs, learning resources, staff support, and school-wide experiences.*

- Media Center Specialist
- Reading Partners Program
- Book Fair
- Technology Support
- Academic Support, including but not limited to IEL, Accelerated Reading (AR).
- CARE: Funds provided to each teacher and academic support professional
- Green Team and Garden
- Field Trip Assistance for All Grades
- Teacher and Staff Appreciation
- Snowflake Program & Uniform Closet Needs
- Holiday House
- School-Wide Events
- 5<sup>th</sup> Grade Graduation and Celebrations
- School store and PBIS (Good Behaviour Rewards)
- ssyra and other reading/literacy programs

## GOALS:

This year, our goal goes beyond covering the PTO's operating needs, which are especially important as Southside continues to feel the impact of district budget cuts.

We are also turning our focus to something you can truly see and feel: our school **Library**. With fewer books than many schools, your support will help us begin filling the shelves - Hogwarts-style - with new stories that spark curiosity, imagination, and a love of reading.
